Commissioner for Patents
P.O. Box 1450

Sir:

PETITION TO REVIVE AN UNAVOIDABLY ABANDONED APPLICATION
UNDER 37 C.F.R. §1.137(a)

Pursuant to 37 C.F.R. §1.137(a), we respectfully petition the Commissioner to re-vive the above-referenced patent application, which was unavoidably abandoned for failure to respond to a Decision by the Petitions Office. The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. §1.137(a) was unavoidable.

REMARKS

On December 14, 2000, a Notice of Abandonment was issued, which indicated that the above-identified patent application had been abandoned for failure to respond to the Office Action dated on June 6, 2000.

On January 12, 2001, a Petition for Revival of an Application for a Patent Abandoned Unintentionally Under 37 C.F.R. § 1.137(b) was filed, along with the Petition fee of \$1240, a Request for Continued Examination (RCE) transmittal and the filing fee of \$710 were included. In response, a Decision on Petition was mailed by the U.S. Patent and Trademark Office on May 11, 2001. The Decision stated that the Petition for Revival was dismissed on the grounds that the required reply to the Office Action did not accompany the Petition. On July 11, 2001, Applicants requested reconsideration of the dismissal of the Petition. A Change of Correspondence Address accompanied this letter, and copies of both documents and a copy of a date-stamped return postcard bearing the USPTO date stamp of July 11, 2001 are enclosed herewith. No response or action on the request was received by Applicants' representative.

Upon status inquiries to the U.S. Patent and Trademark Office, Petitions Branch, the undersigned was informed that the Request for Reconsideration was denied and the application was dismissed in July of 2001. However, Applicants' representatives never received notification of this Dismissal.

The notification may have been mailed to Applicants' prior address of 30 Rowes Wharf, Boston, MA 02210, despite the fact that a change of correspondence address was

filed on July 11, 2001, notifying the U.S. Patent and Trademark Office of a change in the correspondence address of Applicants' representative.

Applicants never received a decision on the Dismissal and now, therefore, respectfully request revival of the above-identified patent application.

REQUIRED REPLY

Pursuant to 37 C.F.R. §1.137(a)(1), the required reply, being an RCE which relies upon the "previously submitted amendment" dated March 17, 2000, is being filed herewith.

Pursuant to 37 C.F.R. §1.137(a)(2), the petition fee set forth in §1.17(l) of \$110 is being filed herewith.

The entire delay from the due date for reply to the filing of this Petition was unavoidable.

ALTERNATIVE PETITION

In the alternative, should the Petitions Officer determine that the application is not unavoidably abandoned, Applicants hereby request that this Petition be considered as a Petition to Revive an Unintentionally Abandoned Application pursuant to 37 C.F.R. §1.137(b), in which case Applicants hereby respectfully submit that the entire delay in filing the required reply from the due date for the reply to the filing of this Petition was also unintentional. In such a case, the Commissioner is requested to charge the deficiency in fee payment to our Deposit Account No. 03-1237.

Please do not hesitate to contact the undersigned in order to advance the prosecution of this application in any respect.

Please charge any additional fees that may be required by this paper to our Deposit Account No. 03-1237.

Respectfully submitted,

Julie Morrissey

Honorable Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

LETTER

On December 22, 2000, we received a Notice of Abandonment mailed December 14, 2000, which indicated that the above-identified application had been abandoned for failure to respond to an Office Action mailed June 6, 2000. On January 12, 2001, a Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 C.F.R. 1.137(b) was filed, along with the petition fee of \$1240.00, a Request for Contin-

ued Examination Transmittal and the filing fee of \$710. Those papers were received by the United States Patent and Trademark Office on January 12, 2001, as evidenced by a return postcard bearing the PTO's date stamp. True and correct copies of the foregoing papers and return postcard are enclosed herewith.

By paper mailed on May 11, 2001, the Petition for Revival was dismissed on the grounds that the required reply to the Office Action of June 6, 2000, did not accompany the petition. However, as stated above, a Request for Continued Examination did, in fact, accompany the Petition, therefore the Petition for Revival should have been granted, and reconsideration is respectfully requested.

Please charge any additional fee occasioned by this paper to our Deposit Account No. 03-1237.

Respectfully submitted,
